Basic Services of Funeral Director and Staff

For Funeral Service..... **\$1,495.00**

Our fee for the basic services of funeral director and staff includes, but is not limited to, staff to respond to initial request for service; arrangement conference with family and responsible parties; arrangement of funeral service; preparation and filing of necessary authorizations and permits; recording vital statistics; preparation and placement of obituary notice; and coordination with those providing other portions of the funeral service, e.g., cemetery, vault companies and others required. Also included in this charge are overhead expenses relative to our facilities such as professional licensing, legal and accounting fees, insurance, building and utility expenses, parking lot and grounds maintenance, taxes, equipment, furnishings, inventory costs, record keeping, secretarial and administrative expenses. This fee is non-deductible. This fee for our basic services (and overhead) will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for graveside service, cremations; immediate burials, and forwarding or receiving remains.)

Embalming..... **\$550.00**

Embalming is not required by law. Embalming is necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require paying for it, such as Direct Cremation or Immediate Burial. (It is Tonkawa/Blackwell Funeral Home's policy that there will be no viewing of an unembalmed body. An unembalmed body must be encased in a container which insures against seepage of fluid and escape of offensive odor.)

Other Preparation of the Body..... **\$190.00**

This is for services rendered in the preparation of the body other than embalming. These services may include, but are not limited to cosmetology, washing, disinfecting, dressing and placing the body in the casket or alternative container.
